

Residential Treatment Centers (RTC) and Day Treatment Centers

This list is made possible due to the United Way [2-1-1](#) database. This combines two searches, the first 'residential treatment centers' and the other 'day treatment centers'. This data was put into one document for your convenience; data was copied without altering content including links which will redirect you to the 2-1-1 website). *For more information on this tool which includes resources in many areas go to their website at www.211.org.* Due to some overlap in services there may be duplicates listed. This search was updated last on January 8, 2007. .
