Website: [www.autismcenteraba.com](http://www.autismcenteraba.com)

JumpStart Autism Center uses the science of applied behavior analysis to teach your child the skills they need to learn and realize their full potential. Over the years our clients have found JumpStart Autism Center's comprehensive treatment model to be so effective at teaching a range of new developmental skills that it changes their developmental trajectory. Our services are consistent with National standards for diagnostic evaluations and ASD treatments.

- Diagnostic Evaluations are provided to individuals 1 year through 14 years old.
- Comprehensive ABA Services (20hrs to 40hrs per week) are provided to individuals who are 1 year to 6 years old.
- Focused ABA Services (8hrs to 20hrs per week) are provided to individuals who are 1 year to 14 years old.
- School Consultation services are provided to individuals of all age.
